FROM: Ron Daniels *Ron*
SUBJECT: Request for appearance before the Board
DATE: May 14, 1979

Hiko Bell Mining Company, miner for Ziegler Chemical Company would like to appear before the Board on the afternoon of the May 23, 1979 Board Meeting to seek an extension of time in which to comply with the performance measures listed in the Division's letter to Ziegler of March 20, 1979. (copy attached)

To date, the company has only achieved compliance with one of the required actions in that letter, that action is #3, the clean up of trash and debris.

The Company maintains that weather conditions have not been conducive to their performing the five listed actions.

The Division is of the opinion that actions numbers 4 and 5 could have been performed by the operator by this date and that a good faith effort should be demonstrated by the operator.
